

VISION FORE GOLFING™

ARE YOUR BIFOCALS HINDERING YOUR GOLF GAME?

“Finally! Custom prescription eyeglasses designed to help you master your golf game!”

Dave Bell - Golf pro at Tecumseh Golf loves his Vision Fore Golfing custom prescription eyeglasses!

The Vision Fore Golfing team is very proud of Dave Bell's incredible accomplishments this golf season while wearing our eyeglasses. Congratulations Dave Bell on placing fifth in Canada's Championship Seniors PGA tournament!

We believe you will love your new golf eyeglasses so much, that we have made arrangements for you to have free with your purchase, a half hour lesson with a pro at Tecumseh Golf, so you can get started right away on reducing your handicap.

Mark Naylor

Former golf pro now wears our Vision Fore Golfing eyeglasses and reduced his handicap at Pointe West Golf Course by seven strokes last Summer.

Get the clear vision that can help you improve your golf game too.

Look for us at the next Novi Golf Show.

Call us and book your own personal demonstration at Visions of Canada, the only certified Vision Fore Golfing sports vision clinic, conveniently located two blocks from the Detroit-Windsor tunnel.

Paul Boyko Jr.

Licensed optician with 30 years optical experience, Paul has perfected the science of crafting premium quality eyewear.

While developing eyeglasses with ultra-thin lenses for Visions of Canada clients, Paul Jr. engineered a method of crafting custom precision eyeglasses for golfing that consistently deliver satisfaction.
